Get the ultimate fan experience with Sunny Seats!

The Sunny Seats Package includes a Front Row Seat and a pre-show Meet & Greet photo opportunity with two Sesame Street Live Friends.

Elmo has raised his sunflower, Sunny, from a seed, but the floral friend has outgrown his flower pot. Elmo and friends find Big Bird's garden the ideal place for Sunny to flourish and grow but they are too excited to wait. Rather than let Sunny follow nature's course, Abby Cadabby, Sesame Street's fairy-in-training, casts a spell to make him grow. The spell does just the opposite and, instead of growing, Elmo and all of his friends shrink! While Abby searches for just the right words to reverse the spell, Elmo, Zoe, Telly and friends explore Big Bird's garden from a smaller perspective and learn some big lessons about patience, overcoming their fears and appreciating the role that each creature plays in our ecosystem - from dancing ladybugs and beautiful butterflies to grouchy beetles that scavenge the garden floor. It's a fresh, original Sesame Street Live on a whole new scale!
