

# ST. PHILIP'S EPISCOPAL SCHOOL

ST. PHILIP'S EPISCOPAL SCHOOL HOLDS A DISTINCT HONOR  
IN EDUCATION: FULL ACCREDITATION BY THE  
SOUTHWESTERN ASSOCIATION OF EPISCOPAL SCHOOLS.

## **NOT JUST ANOTHER SCHOOL. A PROVEN ONE.**

Accreditation is more than a certificate on the wall. It is a rigorous, voluntary, multi-year process of self-study and peer review. St. Philip's is proud to be one of the select few schools in our diverse region to achieve and maintain this high standard. We don't just claim to offer a superior education; we invite external experts to verify it.

## **WHAT SAES ACCREDITATION MEANS FOR YOUR CHILD**

When you choose an SAES-accredited school, you are choosing an institution that meets the highest standards in academia, spiritual life, and operational integrity.

### **UNCOMPROMISING ACADEMIC QUALITY**

SAES accreditation ensures our curriculum, teaching methods, and faculty qualifications meet rigorous educational standards. It verifies that we are effectively preparing students for the next stage of their academic journey.

### **NURTURING HOLISTICALLY**

Unlike secular accrediting bodies, SAES evaluates how well we integrate faith and reason. It ensures we are true to our Episcopal identity—creating a supportive environment that fosters spiritual, moral, and emotional growth alongside intellectual development.

### **A COMMITMENT TO CONSTANT IMPROVEMENT**

Accreditation is not a one-time event. It requires continuous self-evaluation and strategic planning. It means St. Philip's is never stagnant; we are always evolving to meet the needs of our students and the demands of the future.

### **ACCOUNTABILITY & STABILITY**

Parents can rest assured that the school's governance, finances, safety protocols, and operations have been vetted by industry professionals. It signifies a stable, well-managed institution worthy of your trust and investment. "SAES accreditation is an assurance to our families that St. Philip's is fulfilling its mission and providing the highest quality Episcopal education possible."
