PARENT-STUDENT HANDBOOK 2026-2027

Revised June 2026
Board Approved June, 2026

WELCOME LETTER

Dear Parents,

Welcome to the 2026-2027 school year! It is a blessing for your family to be a part of Saint Philip's Episcopal School. We have a wonderful history. In 1961, a group of parents and church members stepped out in faith to create a Christian school for young children. God has continually blessed Saint Philip's throughout the years, as countless children have learned, grown, and experienced His love.

Our outstanding and dedicated staff continue that legacy of loving children with God's love, teaching them, and in doing so, giving them a strong foundation of faith and academics that will bless them throughout their lives.

Saint Philip's Episcopal School is truly a community, and families make friends and feel a sense of belonging. Thank you for being a part of that community of learning, faith, and friendship.

Please call me with any questions you may have, or if I may help you in any way.

In Christian love,

Dr. Becky Reinhardt
Head of School

St. Philip's Episcopal School Mission Statement

St. Philip's Episcopal School (SPES) is grounded in the expression of Christianity and operates within the beliefs and traditions of the Episcopal Church. SPES nurtures spiritual growth, exploration, and discovery of self; promotes service and responsibility to others; and provides strong 2K through fifth grade academic programs for motivated and able students of diverse races, creeds, and economic backgrounds, utilizing innovative resources to teach the best of traditional curriculum.

About St. Philip's

History: St. Philip's Episcopal School was started by a group of dedicated parents and parishioners that desired to foster their children's education in a Christian environment. In September of 1961, St. Philip's opened its school with 35 students in two classes: kindergarten and first grade. Knox Hall, containing three classrooms, was erected in 1966. A second grade class and third grade class were started in the 1978-1979 school year. For two years in the mid-1980s, fourth and fifth grade classes were added. Then in 1994, land and two buildings adjacent to the school were donated to St. Philip's which allowed for a new school office and the addition of fourth, fifth, and sixth grade classes to be named Hattie Hall. In 2000, a Sports Court was completed. In 2002, a third building, named Woodward Hall, was donated and housed second and third grade classes. In 2004, a building was purchased for a Resource Center that houses the School Library and Computer Lab. In 2006, the Church purchased two buildings, Miss Irene Hall, adjacent to the playground for the school to use as classrooms. In 2014, the office building and Woodward Hall were sold and removed. In 2025, the Church purchased a two room building that was moved into the fenced in Elementary campus. This addition will have all the classrooms inside the fenced area for safety purposes. At present, St. Philip's conducts classes from 2K through fifth grade, with approximately 116 students enrolled. 2K and 3K classes are held in Knox Hall. Pre-K, Kindergarten, and Spanish classes are held in Irene Hall. Faith Hall houses the Library/STEAM Class and First Grade classroom. The Second through Fifth Grade classrooms are in Hattie Hall. The School Office and Teacher Resource/Workroom were moved to the Resource Center. Over the years, St. Philip's Episcopal School has promoted an environment of serious study in a loving Christian environment. The school has maintained simplicity over the years and focuses on its mission to its students and the community.

Goals and Philosophy

St. Philip's Episcopal School is a nonprofit day school offering a superior education for students from two years old through the Fifth Grade. St. Philip's promotes intellectual, spiritual, physical, emotional, and social growth, and encourages the involvement of families in the life of the school. Because St. Philip's is a Christian school, we strive to help children grow in the knowledge and love of God and Jesus Christ. It is our hope that with this knowledge, our children will pursue an active role in God's world, accepting their responsibilities as children of God. The school also attempts to help children grow as social beings in understanding, compassion, and cooperation with others.

The Children's Creed

I believe in God above. I believe in Jesus' love. I believe His Spirit too, comes to teach me what to do. I believe that I should be kind and loving, Lord like Thee.

ACADEMIC POLICY

Curricula

The purpose of education is to help guide children in proper growth – academically, socially, emotionally, spiritually, and physically. Our curricula are designed to create an exciting learning environment organized around major concepts and skills.

Our **Preschool**, which consists of our **2K, 3K, and PreK**, uses Creative Curriculum by Teaching Strategies. The Creative Curriculum for Preschool is a comprehensive, research-based curriculum that features hands-on investigations. This top-rated, award-winning curriculum is designed to harness the power of play, nurture the whole-child and individual skill progression, seamlessly connect families to their children's learning, and support teachers every step of the way. Creative Curriculum is the most widely used preschool curriculum in the country.

Our **2K** curriculum helps every young learner thrive. The program builds on daily routines and creates meaningful learning experiences with a comprehensive, research-based curriculum that nurtures the unique strengths, interests, and needs of children 24-36 months in age.

Our **3K** curriculum empowers children to be confident, creative, and caring learners through play-based, hands-on investigations—a research-based approach that incorporates language, literacy, and mathematics throughout the day.

Our **Pre-Kindergarten** curriculum creates classrooms that vibrate with joy, all while preparing them for kindergarten. The program is built on an infrastructure for whole-child development and honors the way children learn best – through play. The program provides explicit Science of Reading and math instruction.

Our **Kindergarten** curriculum is also taught through learning centers as well as the following:

Reading: Journeys Houghton Mifflin

Phonics: Tara West Phonics

Science: Inquisitive - a phenomena-based science curriculum

Math: Tara West Math

Social Studies: Ben Carson's Little Patriots

Achievement Testing

St. Philip's administers the Iowa Test of Basic Skills (I.T.B.S.) each year in the spring in grades kindergarten through fifth grade.

*St. Philip's does not...

- ... use standardized tests to label students.
- ... use standardized tests to place students in a grade or class.
- ... use standardized tests for report card grades.
- ... use standardized tests to evaluate teachers.

I.T.B.S. scores do help...

- ... St. Philip's administrators and teachers measure how students perform in relation to other students who take the same test nationwide.
- ... St. Philip's administrators and teachers evaluate school programs and curricula.
- ... St. Philip's administrators and teachers evaluate a student's progress from year to year.

Cognitive abilities tests do help St. Philip's administrators and teachers measure a broad range of abilities or skills that are considered important to success in school and help tell how students are likely to do in future schoolwork.

Standardized tests have limitations. They are not a perfect measure of what individual students can or cannot do. Your child's scores on a particular test can vary from day to day, and many factors can affect a particular score (whether your child guesses, follows the directions carefully, or was sick the week of testing, etc.)

How can you help your child prepare for testing?

1. Do not be overly anxious about the testing or test scores, but do encourage your child to take the test seriously.
2. Make sure your child is well-rested for each day of testing.
3. Make sure that your child eats a well-balanced breakfast each morning.
4. Get your child to school on time. Children who come to school after the morning testing session begins, are at a disadvantage.

The test results should arrive in May. We will contact you for a conference to discuss the results. If you would like the results mailed to you, please send a self-addressed stamped envelope to your child's teacher. Otherwise, the results will be filed in your child's permanent file and you will have to pick them up in person. We will not send them home via "Backpack Express".

- The School Board retains the right to make a final decision on the exceptions to class size.

Grading Policy

Grades are determined by the student's performance on tests, projects, quizzes, class work, homework, and participation. The conduct grade is based on the student's adherence to the behavioral guidelines, attitude, and personal responsibility. Parents will be informed of these policies during Meet the Teacher. The grading system for each grade level is detailed on the report card. Students are graded on academic work, social conduct, and work habits.

Homework

Students regularly receive assignments that normally must be finished outside the classroom. The purpose of this homework is to prepare the students for activities that will happen in class and to strengthen or enrich those that already have begun. Students should be encouraged to plan and use their time productively and to become self-directed in meeting these responsibilities. In keeping with the school mission that each student be educated socially, it is stressed that the student becomes organized so no homework or books are left at home.

Homework is usually assigned Monday through Thursday with only folders, approved projects, and research reports (usually needing several days of preparation) to be done over the weekend (after a timeline has been discussed with the student and sent home). It has been recommended by our accrediting agency that the amount of time homework can be expected to take on an "average" night when done by an "average" student should be:

Kindergarten and 1st Grade	30 minutes (includes reading with parents)
2nd and 3rd Grade	30-45 minutes (includes reading with parents)
4th and 5th Grade	45 minutes (includes reading with parents)

Honor Roll

Honor roll is a great opportunity to recognize students that excel both academically and socially. Eligibility for honor roll will be based on the following:

"A" Honor Roll - Student has earned an "A" grade (average of 90 or above in all academic subjects)

"A/B" Honor Roll - Student has earned both "A" and "B" grades in all academic subjects. (90 and above average and 80 or above average)

Enrichment Subjects

All children attend library, STEAM, art, Spanish, religion, and physical education classes.

ADMISSIONS

New Applicants

St. Philip's Episcopal School admits qualified students of any race, color, gender, national, and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students of the school. It does not discriminate on the basis of race, color, gender, national, and ethnic origin in the administration of educational policies, admissions policies, or scholarship funds.

Each applicant is evaluated on their academic and personal performance regardless of background.

The following factors will be considered for admittance:

1. Chronological age (cut-off date of September 1st is used to determine grade level). No exemptions or waivers will be granted without permission from the Head of School.
2. Age appropriate developmental academic readiness including good behavior and social skills and a good academic/behavioral history if applicable.
3. Teacher recommendations and copies of report cards from current school (grades 1-5 only).
4. The expressed commitment of the family to provide positive and purposeful support for the policies, personnel, practices, and curricular goals of St. Philip's Episcopal School.

All families seeking to be admitted must submit a completed application, a copy of the birth certificate, immunization record and a signed record request form, if applicable. Official transcripts, teacher recommendation forms, and recognized nationally normed achievement test scores are requested from current schools, if applicable.

2K and 3K Applicants – While no assessment is required for this age group, all applicants must go through the application process which includes submitting a formal application and birth certificate, immunizations, taking a tour of the facility, and meeting with administration, along with a visit to the classroom if possible. Applicants will be evaluated for age appropriate developmental readiness including fine and gross motor skills. 3K students must be potty trained.

Pre-K Four and Kinder Applicants - The child will spend time in a classroom environment and is assessed by the assigned teacher. If the applicant is currently enrolled in another school, a recommendation form is requested from the applicant's teacher. Applicants are evaluated for age appropriate developmental academic readiness including good behavior and social skills.

First Grade – Fifth Grade Applicants - First grade applicants are required to visit a St. Philip's classroom and will be assessed by the teacher or the Head of School. Applicants are assessed for age appropriate reading skills, math skills, and social skills. During the applicant's visit, math skills and writing skills, as well as social, emotional, and behavioral skills, will be evaluated by a St. Philip's faculty member. In addition, if no national test results are available and/or if there are concerns about the academic portion of the transcripts, standardized testing will be administered on campus. Applicants must demonstrate a good academic history and good behavioral scores.

Priority Enrollment policies will be followed in the placement of all students.

If the applicant has been accepted, the parents receive a formal call of acceptance and an enrollment agreement is officially offered. If an applicant is not accepted, a call is placed to the parents and a letter of non-acceptance is mailed.

If the grade level is full, but the applicant meets the requirements for admission, then parents are informed their child will be placed on a waiting list and called when space becomes available.

A new student seeking admission during the course of the regular year is required to provide, in writing, the reason for leaving the previous school. Any student seeking admission to St. Philip's School who for any reason is under suspension or expulsion from another school shall not be admitted.

There will be a six-week probationary period during which the child's adjustment to St. Philip's will be closely monitored. During this time, the teacher will be in direct communication with the parent about any academic or behavioral concerns. At the end of this period, if deemed necessary, a conference will be held with the parents, the teacher, and the Head of School. If the student has been unable to adjust to the academic or social environment, or to the structure and discipline of the school, the school has the prerogative to ask the parent to withdraw the student at this time.

Currently Enrolled Students

Currently, enrolled students who are invited back for the next school year will be offered enrollment agreements in February.

ATTENDANCE

Regular attendance fosters the growth of positive attitudes toward learning, courtesy, and responsibility, as well as providing consistency and feelings of security for young children. **Parents should plan appointments and family trips around the school calendar.** If your child will not be in school, please call the office before 8:30 a.m.; otherwise, send a note to the teacher the next day. We are required to check the attendance of each child daily.

Arrival

SPES Drop-off Procedure: *Drop off will begin as early as 7:30 a.m., but not before. Do not exit your vehicle prior to 7:30 a.m.

2K & 3K Parents will need to park near the iron gates on Mesquite Street and walk to meet SPES Staff at the iron gate.

PK - 5th grade: Parents/Guardians will drive into the alley from Mesquite Street, stop at the stop sign, and remain in their vehicle. Once your child has exited the vehicle, you will exit on Oak Street.

Attendance Policy

St. Philip's Episcopal School's attendance policy promotes regular class attendance as an integral part of the learning process and an orderly atmosphere in which learning can take place. Parents are expected to cooperate in teaching their child/children respect for the school hours by bringing him/her on time and not requesting to have him/her dismissed early except in the case of an emergency.

Extended absences such as family trips or extenuating circumstances must have prior approval by the head of school.

Students must attend at least 90% of the days the class is offered. Any student who attends fewer than 90% of the days the class is offered will be subject to the following policy:

- 5 absences – Parent will receive a reminder phone call from the teacher
- 7 absences – Faculty member will notify the principal and a notification letter will be sent by the school office via email and US mail to the parent
- 10 absences – Parents will have to petition in writing for credit to the Head of School and the Executive Committee of the School Board.

Tardy Policy

School begins promptly at **8:00 a.m.** Students arriving after this time must report to the office with an adult for a tardy slip. Tardiness is a disruption to the learning atmosphere and is disrespectful of the teacher's and other students' time. **Therefore, prompt arrival is a priority.** Arriving 10 minutes early enables your child to have a relaxed beginning to the school day and an opportunity to visit with his/her teacher and friends. If a student accumulates more than 5 tardies or absences in a six week period, the student and parents will be asked to meet with the Head of School to discuss the problem.

Extra-Curricular Activities Attendance

Students who are absent from school for any reason shall not be allowed to participate in school-related activities on that day or evening.

Returning To School

When returning to school after an absence, a student must bring a note to the teacher signed by the parent that describes the reason for the absence. **Medical and dental appointments are to be verified by a note from the doctor. Parents are asked to schedule these appointments after 3:30 p.m., so as not to interfere with class.**

K - 5th grade students who have been absent for any reason must make up the work they missed within the time prescribed by the teacher. A student absent on days when tests are scheduled will be tested upon his/her return to class, or at the teacher's convenience. Failure to make up work will result in academic penalties. A student shall receive a zero for any assignment or test not made up within the allotted time.

A note signed by the student, even with the parent's permission, will be considered a forgery and the student will be disciplined.

Parent Sign In/Out

Parents must sign their child out if they leave school before the end of the day and sign them in when returning during the day. If the child needs to leave early due to an emergency, please notify the office in writing. If the parent sends someone else to pick up their child during school, that person must be listed on the child's application. Otherwise, the parents must notify the office in writing. All persons picking up a child must sign the child out from the office.

BOARD OF TRUSTEES

The Board of Trustees is the governing body of the school. The Board shall have the power and authority to determine school policies, rules, and regulations. The Board of Trustees shall be subject to the oversight of the Vestry of St. Philip's Episcopal Church and the Diocese of West Texas as set out herein or required by the Canons of the Diocese of West Texas.

The membership of the Board of Trustees of the school (board) shall consist of members in good standing of St. Philip's Episcopal Church (six members) and parents (four parents) of school children.

Paid employees of St. Philip's School are ineligible to serve on the Board of Trustees. No trustee of the day school shall serve the school in any management capacity.

Parental issues must be handled at the level at which they arise, typically at the classroom level. Board members have no employee status at the school and may not insert themselves in parent-teacher conflicts. If you have concerns, please follow the chain of command as listed under "Grievance Procedures".

COMMUNICATION

It is our goal to ensure parents are always informed of the happenings at our school. We do this through:

Class Dojo

Parents will be invited to join Class Dojo. Please download the app or sign up from your computer. Dojo is an excellent way to communicate with your child's teacher, receive reminders and updates from your child's teacher, and see things that are happening in the classroom.

Smart Send Pro

Parent alert allows us to send out voice, email, and text messages to families regarding important events, reminders, and emergency situations. It is vital that we have the correct information in our system for your family. Home phone numbers, cell numbers, and email addresses should be updated immediately in the case of a change.

Gradelink App

Please download the Gradelink app on iPhone or android and use school code 2480 for news, alerts, calendar, payments, and more.

Monthly Newsletter

A comprehensive monthly newsletter will be sent at the beginning of each month with information on upcoming events and school news. This newsletter will be sent in the folder and also emailed each month.

CONFERENCES

The teachers and the Head of School are always eager to confer with you about your child's progress or about any aspect of our program. The school has assigned mandatory conferences in the fall and spring. These conferences are scheduled specifically for you to learn about your child's progress and express concerns or questions that you might have. However, if the parent or the teacher feels a need for additional conferences, they may be called at all levels.

All teachers have a scheduled conference time each day. If you wish to meet with a teacher, call the school or email your teacher to arrange for a conference. If you are unable to meet during the day, teachers can also meet with you before 7:30 a.m. or after school, depending on the situation. In order to make these conferences productive, please do not bring your child or his/her siblings.

DISCIPLINE

Please read and sign the Discipline and Guidance Policy at the end of this document. Students at St. Philip's are expected to maintain high standards of personal conduct including attitudes, behavior, language, and respect for others. Our mission statement expresses the desire to educate the whole child - including socially and emotionally.

St. Philips strives to promote self-discipline and acceptable behavior through consistent, positive reinforcement in all areas. It is our goal through this discipline policy to provide a safe, healthy, and nurturing atmosphere in which all children will grow and learn in a developmentally appropriate manner consistent with sound educational principles and within the bounds of Christian doctrine.

St. Philip's School reserves the right to require alternative educational placement if, in the opinion of the Head of School, the needs of the student, other students in the class, or the best interest of the school so indicate.

Major Disciplinary Offenses

St. Philip's reserves the right to take immediate and significant action in any case where the act or behavior is deemed, by the school, to be injurious or harmful to the business, operation, reputation, or well-being of the school community. Examples of major disciplinary offenses include, but are not limited to:

- Disrespect to School personnel;

It includes actions like making threats, spreading rumors, physical attacks, and purposeful exclusion.

Discipline Intervention Plan

Level 1- Verbal/Non-verbal Redirection (for off-task behaviors and minor infractions)

Redirections include, but are not limited to: verbal reminders, teacher proximity to student, and quiet conversation with student.

Level 2- Physical Redirection (for repeated and/or more disruptive infractions) Redirections include, but are not limited to: change in seating, allowing student to move from class for short break, calming area in room or another class, or walk at recess.

Level 3- Referral/Redirection to Administration (for serious and/or chronic misbehavior) Referral is made with a record of documentation from the teacher. Referral is made to a school administrator or front office while waiting to see administrator.

Administrative referrals may result in one or more of the following:

- removal from class (limited);
- conference with family, teacher, child and administrator;
- behavior modification goals set which are consistent for home and school;
- removal from class (extended);
- off-campus suspension; or
- separation from school (made by the Head of School in consultation with Rector).

Out of Classroom Activities

All students are expected to follow the rules of their classroom, in special subject classes as well as at any school function. Special subjects and classroom teachers will have similar rules and consequences for misbehavior. Severe or persistent misbehavior at any activity outside the classroom (i.e. special subjects, lunchroom, playground, or extra-curricular activities) will result in an immediate exclusion in the Head of School's office and the above steps will be taken. Special subjects are included in our curriculum as a way of enriching our students and our overall school and students are expected to take them seriously.

All school employees will have the authority to discipline any student who is misbehaving.

****All school activities require acceptable discipline as well as academic success. For discipline problems, the school policy will be determined on a case by case basis by the Head of School.**

DISMISSAL

The end of the day in all classrooms is a time in which teachers will be working with students on a variety of organizational skills including planning homework, calendar planning, and making sure that students are up to date on all school work. It is vital that students be in class for this time. Therefore, we ask that you not pick your children up between 3:00 – 3:30 p.m. **Parents should plan appointments and family trips around the school calendar.**

SPES 3:30 Pick Up Procedure:

2K & 3K: A SPES staff member will bring your child outside to the iron gate on Mesquite Street. Parents will need to park and exit their vehicles to greet their children on the sidewalk in front of the iron gate on Mesquite Street.

Dress Code/Uniforms

Students may purchase their uniform polos anywhere and have them embroidered with the approved logo at Amy's Attic or Southwest Uniforms in Uvalde.

Dress Code

The purpose of wearing uniforms is so attention will not be focused on dress but on academics and character. A dress code gives children pride in their school, a feeling of belonging, and a sense of orderliness that will carry over into academic areas. Starting the first day of school, students must be dressed in uniform. The uniform should be neat, mended, and clean at all times. Discolored, stained, or torn uniforms should be replaced.

Special non-uniform days will be announced throughout the year. ***However, the "dress code" will still be in effect for these days as well, shorts/skirts/skorts must be the appropriate length (fingertip). Please make sure girls have shorts under their skirts or dresses.*** Shirts may not have inappropriate printing on them and midriffs will be covered. Sleeveless shirts are acceptable as long as they are not spaghetti strap, camisoles, halter tops, ribbed undershirts, or any other type of tank top.

EMERGENCY PROCEDURES/EVACUATIONS

If at any time, due to inclement weather, the Uvalde Public Schools announce their decision to close their schools, St. Philip's will also close. The school will notify parents via Class DoJo and/or Gradelink Smartsend email and text.

In the event an off-campus evacuation should ever be required, our pre-designated emergency location is First Baptist Church located at 220 N. High St. or Uvalde Methodist Church located at 301 N. High St..

Fire drills are conducted monthly (obstructed and unobstructed) and severe weather drills and intruder drills are conducted quarterly. In addition, a crisis management plan is in place and all teachers have a copy of what to do in the event of an emergency.

Please be sure to keep the school informed if there is a change in your telephone number or address. It is also wise to send a written note to the teacher notifying the office if you (the parent/s) will be out of town and if special arrangements have been made for your child.

FIELD TRIPS

Field trips and class parties are an integral part of the curriculum. **If you are driving or assisting with a trip or party, your undivided attention is needed to make the trip activity safe and productive for all students. Siblings or young children may NOT attend field trips.** The use of cell phones is not an option while driving and should be used for emergencies only. Smoking and alcoholic beverages are forbidden on field trips. Only licensed and insured adults who have completed a background check and Safeguarding God's Children training may drive children other than their own on field trips. A copy of the driver's license, background check, and proof of vehicle insurance is required and should be filed in the school office before driving on a field trip.

Every child must use a seat belt at all times and every child must have a signed St. Philip's Permission Slip. Other forms are not acceptable. Any child who is younger than eight years of age OR is less than 4'9" in height must be secured in a child's safety car seat.

FINANCIAL ASSISTANCE

Any student who qualifies for admission to attend St. Philip's may apply for tuition assistance. St. Philip's encourages all families to apply for the Texas Education Freedom Accounts. If the family is not selected to participate in the TEFA program this school year, then the family may apply for financial assistance through the St. Philip's Financial Application.

In 2025, the Texas Legislature passed **Senate Bill 2** and provided \$1 billion in funding to create the Texas Education Freedom Accounts™ (TEFA) program and give parents greater freedom and flexibility in choosing the best educational environment for their children. The TEFA program, administered by the Texas Comptroller of Public Accounts, is the largest day-one school choice initiative in the nation. Through this program, parents who choose to enroll their children outside of the public school system – including a private school or homeschool – and are accepted into the program can use their child's TEFA funds to pay for **approved education-related expenses** through the program marketplace.

St. Philip's offers assistance in the following categories: Needs-Based Assistance, Multi-Child Family Assistance, SPES Employee Assistance and SPEC Employee Assistance. All families requesting assistance must complete the Financial Assistance Application. For our Needs-Based assistance, St. Philip's uses an independent financial screening company, FACTS Management Company for Grant & Aid Assessment. Applications and information may be obtained in the school office or online at <https://online.factsmgt.com>. Within the limit of funds available, St. Philip's tries to make tuition assistance available on an annual basis. Applicants must reapply for financial assistance each year and submit their applications by May 1. Tuition assistance is available on a first-come-first-served basis to those families who meet the financial assistance criteria.

GENERAL SCHOOL PROCEDURES

2K State Licensing Requirements:

St. Philip's is licensed by the Texas Department of Family and Protective Services and complies with all applicable licensing regulations and standards. Our 2K Program is subject to inspection by state licensing officials. The latest licensing inspection report will be posted on the wall as you enter the classroom for your viewing at any time or you may go to the state's website to view it. Minimum standards and the latest inspection can be found online at www.tdprs.state.tx.us. There is also a copy of Minimum Standards at the school you can review at any time. You may also contact the local licensing office at 830-591-4343 or 361-878-3617 or even file a complaint by phone or website listed above for Abuse/Neglect.

2K Program Information:

The State Minimum Standards recommends that 2 year olds have a minimum of 60 minutes of moderate to vigorous active play each day. Our 2K class attends P.E. each day for 30 minutes on the Sports Court with Coach and the class assistant. They work on gross motor development during structured activities that include: running, hopping, skipping, jumping, crawling, balance, etc. The 2K class has two unstructured active play times throughout the day on the preschool playground. Students engage in child-initiated activities such as riding tricycles or bicycles, playing on toddler appropriate slides or climbing equipment, and independent play with their peers.

*Outdoor activities are weather permitting. During inclement weather or extreme temperatures, PE will be held indoors and recess is held in the classroom. Extreme temperatures include temperatures over 102 degrees or below 40 degrees. Indoor activities can include dancing indoors, doing stretches or yoga, throwing soft balls into baskets, obstacle courses, hula hoop or hop scotch.

*Students are required to follow St. Philip's Dress Code that includes appropriate dress, shoes and outerwear.

Toys

Students are not to bring toys of any kind to school, as they distract from learning and may be lost or broken. (The only exception is for a special class activity pre-approved by the Head of School.)

Cell Phones

Students are not allowed to have cell phones, iPads, Kindles, Smartwatches, or any other communication device at school unless it is a special circumstance approved by the Head of School. Parents who need to contact their child during school hours should call the school office. Students will not be pulled out of class for phone calls unless approved by the Head of School.

Development Committee

Part of being involved in the community of St. Philip's Episcopal School means that we actively respond to the call of our Christian imperative to assist others, and we continue to develop ourselves to enhance the educational environment for our students. In order to do so, fundraising is a vital part of our commitment to the school. School fundraisers help to close the gap between budget needs and tuition income. In order for our fundraisers to be successful, we need each family to participate to the fullest extent of their abilities.

Ways to Help

St. Philip's Episcopal School welcomes any gift in the form of a donation or memorial. Gifts may be designated for a specific use, such as for financial aid, library, etc. If not specified, gifts will be left to the discretion of the Head of School.

- **Donations** are normally given throughout the school year. Promise fund gifts go toward staff development, enrichment, technology and so much more.
- **Endowments** are a way to make a permanent gift to the school. Contributions can be designated for scholarships, program support, facilities support, and faculty support.
- **Scholarships** are a way to ensure a diverse student body. Gifts may be given to provide assistance for current students within the operating budget or to provide future scholarship monies in the scholarship fund.

For more information on any of these opportunities, please contact the school office at 830-278-1350.

Drug-Free Environment

Any person caught possessing, using, promoting, or distributing alcohol or drugs while on the St. Philip's campus will be dismissed immediately and the proper authorities will be called. Tuition will not be refunded.

Gun Free Zone

Any person caught possessing a firearm while on the St. Philip's campus will be dismissed immediately and the proper authorities will be called. Tuition will not be refunded.

Licensed and unlicensed individuals are prohibited from carrying a gun on school or church property, whether openly or concealed. The posting of signage to restrict carrying a gun is not necessary to comply with the law.

The 2019 legislation states that a school may *not* prohibit a licensed individual from storing a firearm or ammunition in a locked, privately owned, or leased vehicle, provided that the firearm or ammunition is "not in plain view." **This portion of the amendment applies only to "a school district or open enrollment charter school" and does not apply to our parochial schools.** Media coverage has not made this distinction well known, and a reasonable person might conclude that the new law applies to our parochial schools.

Lost & Found

Lost items are kept in the school office. We will be happy to try to keep your child and his/her possessions together but please be sure to label all personal belongings, especially sweaters, jackets, lunchboxes, and backpacks. We are not responsible for lost items. All items not claimed at the end of each semester will be donated to charity.

Notes To/From Home

Please provide your child with a backpack in order to carry notes to and from school. However, in an effort to be environmentally friendly, most communication will take place through Gradelink Smartsend or Class Dojo. Please be sure to check your child's backpack, your email, and Class Dojo on a daily basis. School wide information can also be found on our website.

Parties

Birthday Parties: The parent of a birthday child may bring refreshments to be served in the classroom at the end of the school day in order to minimize classroom disruption. Presents should not be brought to the classroom. No flowers, balloons, etc. should be delivered to the classroom.

Class Parties: The Room Parent should make arrangements with the classroom teacher when planning traditional parties, such as those at Christmas, Valentine's Day, Easter and End of School.

Private Parties: It is inappropriate for parents to bring private party invitations to school unless ALL the children in the class are invited or unless it is an all-girl or all-boy party.

Selling/Distributing Items on Campus

Selling items to classmates is prohibited except at the discretion of the Head of School. Any material intended for distribution to the students must be approved by the Head of School.

Student Records

Each student's official record is housed in the general administrative area and consists only of material that can be shared with the student's family. These files include transcripts, testing scores, admissions data, correspondence, and reports that have been shared with parents and guardians.

GRIEVANCE PROCEDURES

Parent grievances will be heard. Procedures formalized by the Board of Trustees of St. Philip's Episcopal School require that parents consult the teacher first when they need to discuss their child's progress or a concern that they might have. If there are problems that cannot be satisfactorily resolved, parents should then consult with the Head of School. The Head of School may wish to arrange a conference between the parents, teacher, and Head of School and when appropriate, the student. The School Board will hear grievances that cannot be satisfactorily concluded by the Head of School. The School Board shall establish the time, length, rules, and procedures to hear such grievances from all parties involved.

HEALTH POLICIES

All new students must provide a current shot record no later than their first day of school. Students with an immunization record that indicates that they are not current on their vaccines may be enrolled provisionally for 30 days. If after 30 days the student is not in compliance, the school has the right to exclude the student from school attendance until the required dose(s) is administered.
